IX. Detail of Issue/Request:

The new tractor is needed by Public Works for street mowing operations. The current machine is a 1998 New Holland tractor with jury rigged attachments. Repair parts are becoming difficult to acquire. In 2019 we lost approximately 2 weeks of mowing time waiting for repairs.

Three quotes were solicited through Sourcewell (NJPA) from High Plains, Wickham Tractor Company and Deere & Company.

<i>High Plains</i>	<i>New Holland TS6.120 T4B</i>	<i>\$102,353.00</i>
<i>w/ mower, snow blade & rear window guard</i>		
<i>Wickham Tractor Company</i>	<i>Kubota M6-131DTC-F</i>	<i>\$111,954.35</i>
<i>w/ mower</i>		
<i>Deere & Company</i>	<i>Joh Deere 6120M</i>	<i>\$135,610.84</i>
<i>w/loader & mower</i>		

All three quotes are comparably sized machines. The New Holland tractor was selected as the low quote with all the accessories we needed and because of the City's past experience with New Holland equipment and close proximity for maintenance if needed.

Total cost is \$102,353.00 of which the Public Works Street Budget for 2020 included \$120,000.00.

X. Legal/Political Considerations:

Not Applicable.

XI. Alternatives/Options:

- Accept quote*
- Reject quotes*
- Delay system purchase to a later date*

XII. Financial Considerations:

2020 Budget includes \$120,000.00 in the General Fund Public Works Street budget.

XIII. Staff Recommendation:

Staff recommends approving purchase of the tractor and mower from High Plains for \$102,353.00.
