AM 2020-099 A Resolution Approving The Cottonwood Greens Final PUD Development Plan And Final Plat For Filing Nos. 1 - 3 Submitted By Arbor Capital Partners, LLC To Create A Residential Subdivision

Arbor Capital Partners, LLC has applied for approval of the Cottonwood Greens Final PUD Development Plan and Final Plats for Filings Nos. 1 – 3 (“Final PUD Plats”). The proposed development is for a residential subdivision that will include single-family detached houses and single-family attached (townhomes) house, as well as a neighborhood park, pocket parks, and a trail system that will build out a portion of the Fort Lupton Parks & Trails Master Plan. The single-family attached portion of the development will require additional submittals and review prior to development of Track D included in Filing 3. The Property is located north and adjacent to 9th Street, and between Northrup Avenue and County Road 31.

Mayor Stieber read the following advisement to the applicant’s representative: You understand that the Applicant has a right to continue this public hearing to such a date to allow a full in person public hearing? You have agreed to voluntarily waive that right on behalf of the Applicant by proceeding tonight electronically, is that correct? On behalf of the Applicant, you have voluntarily signed and submitted the written waiver and consent to proceed electronically tonight, correct? Therefore, on behalf of the Applicant, you waive Applicant’s right to proceed in an in person public hearing and have consented to proceed forward voluntarily tonight in this virtual City Council meeting, is that correct?

The applicant’s representative Kristen Turner, with TB Group, answered yes to all questions. Ms. Turner provided a presentation including the overview of the entire project. The project includes, trails, and 3 pocket parks. The project is expected to be a nice addition to the City.

Mayor Stieber read the following advisement: Have you had a full and fair opportunity to present all facts, submittals, documents, testimony and presentations in support of the application before the City Council tonight? Ms. Turner answered “yes.” Has there been anything that you or the Applicant would have liked to have presented in support of Applicant’s application that you feel you were prevented from doing so? Ms. Turner answered “no and nothing further.”

It was moved by Chris Ceretto and seconded by Michael Sanchez to approve Resolution 2020R048 A RESOLUTION APPROVING THE COTTONWOOD GREENS FINAL PUD DEVELOPMENT PLAN AND FINAL PLATS FOR FILING NOS. 1 – 3 SUBMITTED BY ARBOR CAPITAL PARTNERS, LLC TO CREATE A RESIDENTIAL SUBDIVISION. AM 2020-100 Approve Purchase Of Tractor And Mower For Public Works Streets From High Plains For Not To Exceed \$102,353.00 From The General Fund Public Works

The new tractor is needed by Public Works for street mowing operations. The current machine is a 1998 New Holland tractor with jury rigged attachments. Repair parts are becoming difficult to acquire. In 2019 we lost approximately 2 weeks of mowing time waiting for repairs.

Three quotes were solicited through Sourcewell (NJPA) from High Plains, Wickham Tractor Company and Deere & Company.

High Plains w/ mower, snow blade & rear window guard	New Holland TS6.120 T4B	\$102,353.00
Wickham Tractor Company w/ mower	Kubota M6-131DTC-F	\$111,954.35
Deere & Company w/loader & mower	Joh Deere 6120M	\$135,610.84

All three quotes are comparably sized machines. The New Holland tractor was selected as the low quote with all the accessories we needed and because of the City's past experience with New Holland equipment and close proximity for maintenance if needed.

Total cost is \$102,353.00 of which the Public Works Street Budget for 2020 included \$120,000.00.

It was moved by David Crespin and seconded by Bruce Fitzgerald to approve the purchase of tractor and mower for Public Works Streets from High Plains for an amount not to exceed \$102,353.00 allocated from the General Fund Public Works. Motion passed with no vote from Councilmember Tommy Holton due to lost communication.
