

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live. The National Night Out program culminates annually on the first Tuesday of August.

There are no financial barriers to participating in National Night Out. That has always been our commitment, but, in today's difficult economy, it's worth highlighting.

We're thoughtful about how every dollar is spent, working year-round to help city governments, police departments and grassroots organizers make their National Night Out events successful and their community a safer, better place to live.

If your organization would like to participate in Nation Night Out, please complete the following information:
