Other inspection and plan review fees:	1. Re-inspection fees - \$50.00 2. Plan review fees - 65% of the building permit fee 3. Demolition Fee- \$50.00
(a) This fee schedule is to be used for all building permitted construction in the City including commercial work, residential work, electrical work, plumbing work, mechanical work, remodels, additions, sheds, fences, signs, etc.	
(b) For new single-family and duplex residential construction, the following additional fees are required:	
(1) 15% added to the fee schedule for electrical work (2) 15% added to the fee schedule for plumbing work (3) 10% added to the fee schedule for mechanical work	

Use Tax is 4% of one-half (1/2) the construction value of the work

Example: Construction value of \$500 would have a use tax of $500/2 * .04 = \$10.00$

The following valuation schedule will be used by the City to determine construction costs for new residential single-family dwelling and duplex construction:
