What is the City of Fort Lupton doing?

Although we don’t have a case in Fort Lupton, the City is currently taking the actions listed below; this plan will be updated as needed, based upon the evolving situation. We are working with Weld County Health Department, Weld County Re-8 School District, Fort Lupton Fire District, and the Fort Lupton Police Department as well as other partner organizations to coordinate our operations and activities in the event of a worsening public health risk.

- Fort Lupton Recreation Center – Closing at noon March 13th – to be determined.
- Coyote Creek Golf Course – Closing March 14th – to be determined.
- City Hall – Open
- Fort Lupton and School Library – Closing at 5 p.m. March 13 – March 30th and will follow Weld Re-8 School closure. All scheduled programs during this time have been cancelled and patrons can stay informed at fortluptonlibrary.org for the latest updates.
- Fort Lupton Museum – Closing at noon March 13th – to be determined.

We are also participating in weekly Weld County COVID-19 Community Partner tele-meetings.

What can you do?

You should continue to wash your hands frequently and cover your nose and mouth when coughing or sneezing to protect yourself and others. For more information, read the CDC coronavirus fact sheet.

- Clean your hands frequently with soap and water or alcohol-based hand rub.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Cover your nose and mouth when coughing and sneezing.
- Avoid close contact with anyone with cold or flu-like symptoms.
- Stay home if you are sick.
- Get an annual flu vaccine if you have not had one.

Keep up to date
