Pearson Park Fields
State Highway 52 & US Highway 85
Fort Lupton, CO 80621

Opening Ceremony
Saturday, Nov. 7, 2020
Featuring the Colorado Emerald
Society Pipes & Drums

Now, more than ever, we are called to honor our heroes, past and present.

Field of Honor will stand in silent tribute honoring veterans, first responders - including Police, Fire & EMS - and frontline workers. This is the only tribute field in Colorado.

Each flag offers a personalized tribute to the life or memory of an honoree

It is the Healing Field, and it has helped thousands of communities across America grow closer, and celebrate the full glory of community and patriotism.
